ULTIMATE SEWING RETREAT \$450.00 + HST

Thursday - Saturday April 13th - 15th, 10:30 am - 4:30 pm

Ron Collins is a well-known international sewing expert: designer for Vogue Patterns, teacher, writer and co-host of Web TV's Power Sewing. He is back for a limited engagement! Is fitting your nemesis? Bring your favourite patterns and muslins and let's start fitting. Go home with your pattern, adjust the pattern, cut out the garment from scrap fabric or muslin, sew the fitting shell and then refine the fit and transfer your alterations to your pattern. Bring patterns for jackets, pants, tops, jeans, outerwear etc. Choose whatever pattern you want and whatever fabric suits the pattern, such as in woven, stretch woven or knits. With Ron by your side you'll be able to overcome those trouble spots in fitting.

POSH POCKETS

\$150.00 + HST

Tuesday April 18th, 10:30 am - 4:30 pm

In this workshop you will learn how to do a rounded curved patch pocket with a flap, lined patch pocket, invisible patch pocket and double welt pocket. Master sewing curved patch pockets that will give you results with smooth curved edges that will be uniform on both edges. Learn a unique lined patch pocket that will rival any pattern instruction techniques. The high-end invisible patch pocket is one that Ron discovered on an \$1800.00 jacket; the pocket is fully lined and sewed down by machine for strength with no visible stitching on the outside. A double welt pocket which is the true sign of tailoring, is a technique that Ron is known for. The welt pocket can be made into various sizes and fabrics with smooth and flat results. Kit fee: \$20.00

CLASSES WITH RON COLLINS

PATTERN ALTERATIONS & BODY MEASUREMENTS FOR THE RIGHT FIT

Monday April 17th, 10:30 am - 4:30 pm \$150.00 + HST

In this hands-on workshop you will learn how to identify the fitting problems and how to solve them. Ron will show you how to correct fitting problems regarding raising or lowering bust fullness in a princess seam, adding in a dart when a pattern requires one, moving a horizontal underarm dart to a vertical waist dart, altering for a small bust and increasing full bust for a princess seam. Along with pant alterations for knock and bowed legs, full and protruding seat, flat seat and many more. We will also take 28 body measurements: high bust, low bust, shoulder width, sleeve length, back waist length, pant and skirt length....plus more...a total of 28 body measurements. Every student will have an alteration package to take home showing all the alterations done. Ron will give you the inside answer on what pattern companies run larger and which ones tend to run true to measurements. He will also explain how much wearing ease you need in all garments from close fitting, fitted, semi fitted, loose fitted and very loose fitted. Take the guesswork out of trying to choose what size garment by finding the "finished garment measurements" and not using the sizes on the back of the pattern envelope. See the difference in sizing charts in major pattern companies and how to choose the right size for you and how to avoid disappointment in fitting. Kit fee: \$30.00

TAILORED MEN'S SHIRT OR WOMEN'S BLOUSE

Learn how to do ready to wear tricks on half bulk collar points and collar bands, clean edge facings, non-stretch out bias cut and double yolks, one piece sleeve plackets, cool seam finishes, button holes and professional results working with fusible interfacing's and other stylish details.

LONG ARM RENTAL CERTIFICATION CLASS

\$100.00 + HST

Monday February 13th, 10:30 am - 4:00 pm

OR Saturday March 11th, 10:30 am - 4:00 pm

OR Wednesday April 12th, 10:30 am - 4:00 pm

OR Thursday May 18th, 10:30 am - 4:00 pm

OR Friday June 9th, 10:30 am - 4:00 pm

OR Saturday July 15th, 10:30 am - 4:00 pm

Would you like to take your quilts from conception to completion and really make them your own? Then this is the class for you!

Perhaps you have had the opportunity to rent a long arm in the past and enjoyed the experience. Maybe you are tired of the fight with free motion quilt on your domestic sewing machine. Or you may have projects that have not been finished because professional quilting is too costly. We have the solution. The Bernina Q24 is an amazing system and it is now being offered to you through our newly created rental program. It has not one, but two stitch regulators to make all your stitches exactly the same length and it is the smoothest long arm you will ever try! Your quilting results will be, by far, your best ever. This tutorial will give you certification to rent our Bernina Q24 as frequently as you wish, always with a teacher by your side to lend a hand. Ask for further details from our staff and register for the class online. Rental fee is \$30/hour for a min of 3 hours. Any additional time required will be at a flat rate of \$30/hr. The number of hours required to complete your project will depend on each individual quilt & pattern. Rental periods are available from Monday - Saturday.

SURF SONG BARGELLO

\$100.00 + HST

Wednesday March 1st & 29th, 10:30 am - 4:30 pm

The name "Bargello" originates from the "flame-like" embroidery design found on chairs in the Bargello palace in Florence Italy in the 17th century. (The palace was also a notorious prison, but enough of that.) Bargello entered the quilting world in the 1960's.

The designs are known for their graceful, curved lines, all made without sewing a single curved seam. This class is suitable for confident beginners and up. As long as you can sew a 1/4 inch seam and can count to 20 you have all the skills required to make a quilt you can be proud of. Amaze your family and friends with the beauty and serenity of your Bargello quilt. You don't have to tell them how easy it was to make. In fact, I just wouldn't!
